

## From our students:

*Getting my education at Saint Brigid has helped me realize the importance of having faith in our lives. It's not just from having a religion class, but also from how we conduct ourselves as people. Having a Catholic school education will positively influence the rest of my life."*

*Taylor grade 8*

*"Teachers at Saint Brigid have instilled in me a yearning for knowledge and a respect for others. I appreciate my education at Saint Brigid because it has given me a sturdy foundation on which to build a long-lasting structure of faith and knowledge."*

*Alexandra grade 8*

*"We have smaller classes so I know everyone in my school and everyone is friends with each other. The teachers here are very special. They love their faith and care about us."*

*Jon grade 8*

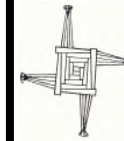

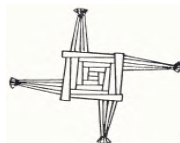

**Our middle school students rise to new heights!**

## Providing Catholic Faith Formation and Strong Academic Foundations for Middle School Students

*"Our Catholic schools do a better job of passing on ethical and moral values than any other approach to education."*

*Bishop James A. Griffin,  
Retired Bishop of Columbus*

## **Middle School Education: Academic, Spiritual, and Social Growth**

### **At Saint Brigid of Kildare School, students in seventh and eighth grade receive a traditional Catholic education supported by innovative and current methods.**

Guided by our mission statement, our school community provides Catholic faith formation and strong academic foundations to inspire life long learners and leaders in the 21st century. Academic achievement, perseverance, and reflection are stressed as we recognize each student's potential for success. Our team of administrators, educators, and support staff collaborates to create an atmosphere that is most conducive to developing our students as learners, leaders, and people of service.

Saint Brigid of Kildare middle school students complete rigorous studies in communication arts, mathematics, science, social studies, and religion, supported by classes in art, music, technology, library media, and physical education.

Students develop portfolios in reading, writing, and math, plan and execute science fair projects, and complete extensive research papers. Each student also participates in our service learning program.

At Saint Brigid of Kildare School, we prepare our students for success at the high school level. Our alumni attend Central Ohio's most acclaimed high schools. The majority of our students attend Catholic high schools, where they thrive academically, spiritually, and socially. Our graduates also attend the Midwest's most prestigious universities.

## **Academic Excellence**

Graduates of Saint Brigid excel at Bishop Watterson High School and Saint Charles Preparatory High School. Our graduates are confident and well prepared for high school, having developed effective study skills and acquired the foundations for an excellent academic future and a deeper understanding of the Catholic faith.

Many of our graduates earn scholarships to our local Catholic high schools. While in high school, our graduates have earned academic honors, service awards, and National Merit Scholarships. The lessons our students learn while at Saint Brigid of Kildare School pay dividends for years to come.

### **Last year, students from our middle school participated in:**

- State Power of the Pen competition
- State science fair
- State band competition
- Math Counts
- Ohio technology conference
- Self defense classes
- Interscholastic sports
- Musical theater
- Field trips
- Service projects totaling over 3000 hours of service to our community
