

SAINT BRIGID OF KILDARE

Safe Environment Volunteer Requirements

As a community of faith, we believe that our children are the most important gifts God has entrusted to us and that the prevention of child abuse begins with each person.

St. Brigid of Kildare Parish, in coordination with the Catholic Diocese of Columbus, is committed to the protection and safety of all children. This commitment follows the fundamental mission of the Church to preach the gospel of Jesus Christ, to give authentic witness to the moral teaching of the Scriptures and the tradition of the Church, and to uphold the human dignity of every person. Increased awareness and a willingness to take action are steps for every person to eradicate abuse in our society, in the community, in the neighborhood, and in the family.

At St. Brigid of Kildare Church, “Best Practice” policies have been established to ensure the safety of our children in every parish and school activity. Our Safe Environment Program was designed for the protection of our children. With that in mind, ALL VOLUNTEERS 18 years of age and older (Athletics, Club Sports, Altar Serving, Children’s Choir, Children’s Liturgy of the Word, Sunday Nursery, School, Cub Scouts, Boy Scouts, Girl Scouts, Religious Education, Middle School and High School Youth Ministry and all other programs involving children) who have “care, custody or control,” or regular supervised or unsupervised access to children must complete the following procedures prior to the first day of volunteering.

Through these initiatives, we optimize child safe environments and empower our staff and volunteers with tools to help them protect all our children.
