Notification of Admission

By January 22, 2021, parents will be given a status update of their application (admission or position on the waiting list) via email for the 2021-2021 school year.

Waiting List

If the number of applicants exceeds the number of class openings, a waiting list will be established. Following application, positions on the waiting list will be assigned using the same ranking criteria stated above.

- Families that are offered an admission have 24 hours to respond.
- If a student is offered an admission prior to the beginning of the school year and does not accept, the parents will be given a choice to either go to the bottom of the current list or be removed all together.
- If a student is offered an admission during the school year and does not accept, the parents will be given a choice to either apply for the beginning of the next school year or be removed all together. Special circumstances for not accepting admission (such as illness) will be given separate consideration by the school administration.
- A new waiting list will be established for each school year. Participation in annual application will be necessary to be considered for the next school year even if you are on the current waiting list.

Acceptance and Enrollment

Upon notification of acceptance, please pay online an acceptance fee of \$150 per student for grades preschool through eighth. This one-time acceptance fee is *nonrefundable*, but the amount *will be credited* toward your student's tuition. This fee must be submitted within 7 business days of notification of acceptance to hold your child's spot. You will be emailed this information and a link to pay the deposit online.
