Re-Enrollment & Tuition Policies: Returning Families

Returning Students

A returning student is any student currently enrolled in Saint Brigid of Kildare School. Currently enrolled preschool students entering kindergarten also complete a re-enrollment packet. Preschool students whose families are active, registered parishioners are guaranteed enrollment for Kindergarten.

Re-Enrollment

Families will receive a commitment email in January of each year. Within seven (7) business days of receipt of the email, a signed commitment letter must be completed online, along with a \$10 re-enrollment fee per student. Families with multiple returning students will submit a single commitment letter, which covers all returning students in that family.

Commitment Deadline

Please note that the deadline for submission of the commitment letter is included in the commitment letter email.

- Families failing to submit a re-enrollment commitment letter by the deadline will forfeit their place(s) for the upcoming school year. We are unable to hold places.
- Families that have forfeited one or more places, but still wish to re-enroll, will be accommodated if space is available. However, a \$50.00 per student late fee will be charged. This fee is nonrefundable and is not credited toward your student's tuition.

Deadline for Selection of Tuition Option

All tuition payments will be processed through the FACTS program. Payments methods include Checking Account ACH or Savings Account ACH.
